Organization Terms and Conditions Overview

We've updated our Terms and Conditions and our Privacy Statement to reflect changes we've made to strengthen our services to you and to help you manage your data. This is part of our ongoing commitment to safeguard your information, and to establish clear ownership of the organization. Please refer to the [JOHN DEERE DATA SERVICES & SUBSCRIPTIONS STATEMENT](#) for details.

Acceptance of these Terms and Conditions are required for access to data stored within the organization and need to be accepted by the responsible party (Owner, Farm Manager, Administrator) for the organization listed below. By accepting the Terms and Conditions for this organization, you will be designated as its responsible party if one is not currently designated and you will be asked to enter contracts on behalf of this legal entity. As the responsible party, you may provide permissions to accept contracts to other staff members of the organization. This role may be transferred to others through the Team Manager tool and must be actively accepted by the other party. If you do not feel you should be the responsible party or are not authorized to accept contracts on behalf of this organization, please exit this flow and contact the appropriate staff member to complete the acceptance process.

As part of this update, you will be asked for:

- Intended Use of Organization
- Legal Name of Organization
- Organization Name (Displayed Name)
- Organization Address
- Review Current Staff, Partners, Permissions and Machines with Service Contracts

Organization

Bailey's Organization

User Information

The contact information below is provided by your John Deere user profile. In the event that John Deere needs to contact you regarding this organization, please review your user profile information and contact methods below for accuracy.

If you do want to make a change to your John Deere user profile, please access the edit profile link below. Changes will need up to 24 hours to be reflected.

Step 3

Organization Details Confirmation

Organization Intended Use

- Commercial Organization**
A commercial use organization is defined as a business not solely owned by an individual or sole proprietor.
- Personal Organization**
A personal use organization is an individual or sole proprietor that owns the business.

Organization Name

Use this field to further describe this specific organization. This will be the name displayed in online tools such as JDLink Dashboard and John Deere Operations Center.
Examples: ABC Enterprises- South, XYZ Farms, Inc.- Texas, 123 Dealer- Location X

Organization Name

Legal Name

This name is the registered title of your business or your full legal name depending on your intended use.
Examples: ABC Enterprises, Inc. for commercial use, John W Smith for personal use

Legal Name
 Step 4

Legal Address

Please provide/review the legal address of the organization. These fields are mandatory. For commercial organizations please ensure this is the address of your legal entity. You may populate your user profile address by using the button below for personal organizations or as a starting place for your commercial address. Please ensure that the information is correct.

Organization Data Access Review

Organization Team Members

Regular reviews of staff and partnership permissions are a best practice when managing organizations. We recommend you review these permissions and make any required changes that you may have identified by following the link to Team Manager that is provided following the acceptance of Terms and Conditions.

Name	Equipment	Organization	Jobs	Locations	Financial	Contract Acceptance
