CHOOSING THE RIGHT PROGRAM

By choosing a career at Papé, you're selecting a company that has a rich history deeply ingrained in the logging, agriculture, transportation and material handling industries. Additionally, Papé Machinery offers competitive compensation and full benefits for you and your family.

Papé Machinery and our partnering schools have worked diligently to prepare a curriculum that balances classroom theory, internships and hands-on lab work. Upon graduation you will have the skills, confidence, and experience to begin your career.

At Papé Machinery we take great pride in the success of our technicians; in fact, many of the managers and supervisors in our dealerships began their careers as technicians. Contact us today to learn more about what schools we are partnering with and the opportunities available to you.

The Papé Group is an Equal Employment Opportunity (EEO) employer and welcomes all qualified applicants. Applicants will receive fair and impartial consideration without regard to race, sex, color, national origin, age, disability, veteran status, genetic data, religion or other legally protected status.

THE PAPÉ SCHOLARSHIP PROGRAM

Papé has taken pride in providing our customers the very best products and product support since 1938. We are constantly on the lookout for individuals who want to be part of a great team and have a commitment to long term growth. Papé Machinery has partnered with several schools to provide a Diesel Technician Scholarship.

Here are a few of the benefits and requirements:

GRADE POINT AVERAGE

You must currently have and maintain a 3.0 GPA.

TUITION REIMBURSEMENT

Papé Machinery will reimburse half of your out-of-pocket tuition costs. After completing the program, Papé Machinery will reimburse your remaining out-of-pocket tuition over your first two years of employment with us.

PAYMENT FOR WORK EXPERIENCE

Students may conduct a cooperative work experience (CWE) during school breaks at one of Papé Machinery's locations. If accepted, you will gain invaluable on-the-job-training.
