The Papé brand is more than a simple logo. Communicated through consistent use of brand voice, logos, and brand assets, Papé’s intangible brand offerings convey the company’s value and secure Papé’s positioning above and against its competitors. Consistency in branding ensures that customers, vendors, and team members alike perceive Papé as synonymous with credibility, expertise and trustworthiness.

The following Brand Style Guide outlines standard use practices for logos and brand colors. Adherence to these standards ensures the continued development of brand visibility, credibility, and consistent quality Papé strives to achieve.
GENERAL REQUIREMENTS.

This Ditch Witch West Style Guide incorporates the Papé Brand Guidelines by this reference.

Your use of the trademarks, service marks, logos, and taglines discussed in this Papé Group Style Guide is subject to the requirements in the Papé Brand Guidelines.

NO LICENSE OR OTHER RIGHTS GRANTED: This Style Guide does not grant you any right, license, title, or other interest in or to the trademarks, service marks, logos, and/or taglines owned by The Papé Group, Inc., The Charles Machine Works, Inc., and/or The Papé Group, Inc.’s other affiliates. All such rights and usage license must be granted in a separate, written agreement. In addition to complying with the terms of this Style Guide, your use of the trademarks, service marks, logos, and taglines described in this Style Guide must be limited to the purpose(s) and use(s) expressly permitted in the license agreement between you and The Papé Group, Inc. or its affiliate. Your use of the trademarks, service marks, logos, and taglines described in this Style Guide is subject to the disclaimers, limitations of liability, and other provisions set forth in the license agreement between you and The Papé Group, Inc. or its affiliate.

MODIFICATIONS TO STYLE GUIDE: The Papé Group reserves the right to modify this Style Guide from time to time, and you will be expected to comply with the updated Style Guide within thirty (30) calendar days of receiving notice of such updates.

USE ONLY PAPÉ-PROVIDED ARTWORK: You must use the logo artwork provided by Papé without modification. You may not use any third party artwork files for the logos.

DO NOT ALTER: Do not alter or separate any Papé or Ditch Witch West logos, trademarks, service marks, or taglines; do NOT vary the spelling, add hyphens, make one word two words or more or vice versa, use a similar mark, use a phonetic equivalent, use abbreviations, translate the mark, change the proportion or position of elements within a logo, alter a logo in perspective or appearance, or otherwise alter, separate, stretch, distort, or modify the marks in any way.

DO NOT ADD WORDS OR DESIGNS: Do not combine or incorporate the Papé or Ditch Witch West logos, trademarks, service marks, or taglines into any other feature, including without limitation, other trademarks or service marks, words, phrases, graphics, photos, slogans, numbers, design features, or symbols; except as expressly permitted in this Style Guide.

TRADEMARK NOTICE SYMBOLS: Trademarks that are registered need to be indicated as such by using the ® registration notice. Unregistered trademarks should include the ™ notice. Do not use the ® symbol for any trademark, service mark, logo, or tagline that is not registered. Falsely indicating that a mark is registered may trigger civil and criminal penalties.

All uses of the Papé Box logos must contain the appropriate notice symbol—® for registered marks. All uses of the Ditch Witch West logos must contain the appropriate notice symbol.
as shown in the artwork we provide to you. While the DITCH WITCH word mark is registered, the specific Ditch Witch West logos shown in this Style Guide are not registered, so you must only indicate that the DITCH WITCH wording is registered in all uses, just as is done in the artwork we provide you for use of the Ditch Witch West logos.

This Style Guide also indicates other marks or taglines that are unregistered and for which you should use the ™ symbol. Note that the DITCH WITCH WEST word mark is not registered. The appropriate ® or ™ notice symbol must always be large enough to be legible. When using marks in text, for a given document, use the appropriate ® or ™ notice next to the first and most prominent use(s) of each of mark appearing in such document; and for all subsequent uses of the mark in that same document, you do not have to use the symbol again.

USES OF THE MARKS IN TEXT: In all text uses of the DITCH WITCH WEST mark, in order to avoid confusion, an effort should be made to avoid possessive uses of the mark. Every trademark should be used as an adjective that is followed by a noun, i.e., a generic description of the goods or services (such as “the Ditch Witch ® West™ equipment”). Trademarks should never be used as a verb or noun, or in the possessive or plural forms.

In addition, do not use any marks (or any variation thereof or confusingly similar mark) in any company name, product name, model number, part number, service name, or domain name, unless you first receive Papé’s prior written permission.

NO MISREPRESENTATION AS TO MEANING: You may not use the Ditch Witch West logos, the Papé Box logos, or other Papé-owned (or affiliate-owned) trademarks, services marks, taglines, or logos in any way that could cause confusion as to source or as to ownership of the same.

DO NOT DISPARAGE: Do not use the Ditch Witch West logos, the Papé Box logos, or other Papé-owned (or affiliate-owned) trademarks, services marks, taglines, or logos in any manner that disparages or is likely to disparage Papé or its affiliates or their respective products or services, or in any other manner that is, or is likely to be, misleading, obscene, infringing, or that dilutes or diminishes (or is likely to dilute or diminish) Papé’s or its affiliate’s rights and goodwill in the marks. Do not use the Ditch Witch West logos, the Papé Box logos, or other Papé-owned (or affiliate-owned) trademarks, services marks, taglines, or logos in connection with any unlawful activities.

ATTRIBUTION: Use a trademark ownership legend in all materials that show the Ditch Witch West logos, the Papé Box logos, or other Papé-owned (or affiliate-owned) trademarks, service marks, logos, or taglines. The preferred form of legend is as follows (complete the bracketed terms as applicable and remove the brackets prior to using the legend):

“The [insert the marks you are using with the appropriate notice symbol, e.g., PAPÉ®, Pape Box Logo®, DITCH WITCH® WEST, Ditch Witch West™ logo, KEEPS YOU MOVING®, A LEGACY OF UPTIME™] trademark[s] are registered and unregistered trademarks and service marks of The Papé Group, Inc. or its affiliate in the United States. All rights reserved. Unauthorized use strictly prohibited.”
The logo is the visual embodiment of the brand. The logo must always be surrounded on all sides by clear or white space as shown. Sides must have the equivalent spacing of 4 registered notice symbols. Top and bottom must have the equivalent spacing of 2 registered notice symbols.

The minimum size for both logo variations is 0.55” tall.

When placed on a background, the logo must remain highly visible and therefore it is best to avoid placing the logo on busy backgrounds.

Contact a Brand Marketing Specialist at pcmarketing@pape.com if you have any questions or concerns about logo usage.

This logo must not appear on any marketing materials without the presence of the Papé Box Logo.
These are the approved logos. Each logo sits on an example of the appropriate background for each variation.

No other color variations are approved for use. The logo must not be scaled or skewed when enlarged.
Taglines should be treated similarly to the Papé logos in terms of clear space and use. Taglines are to be used as a graphic element and should not be used in a descriptive fashion or in the text of written documents without an indication of protected status.

**Incorrect Usage:**
“Customers have counted on Papé to keep them moving”

**Correct Usage:**
“The company’s devotion to customer service is supported by the use of Papé’s KEEPS YOU MOVING® trademark.”

“A LEGACY OF UPTIME™ is more than a company marketing phrase, it is a representation of the company’s philosophy and reputation.”
